

SATURDAY

PRAYER FOCUS : Leaders in Government.

Prayer Points:

- Pray for Pastor Mark, and the leadership of our church, that they would be empowered, & enlightened by the Holy Spirit, and that this church would begin to move mountains for Christ.
- Pray on behalf of our nation and the legislators who will soon be making a final decision on health care reform.
- Lord we pray that every leader and person in our church would be able to see the DREAM You have for them and would be able to walk in the FULLNESS You have desired.
- Pray for our troops as they work to safeguard our freedom, giving thanks for their sacrifices on our behalf.
- Pray that God would have his way in the selection of a new Governor for the State of Michigan, and that this person would seek to do the will of the Father, and have divine wisdom when making decisions that would affect the people.
- Pray for the Executive Branch of the Federal Government, especially President Barack Obama, that they would look to the Lord Jesus Christ for answers, and that this would cause our Nation to be transformed.

Scriptures:

- 1 Tim 2:1-4 I urge you, first of all, to pray for all people. Ask God to help them; intercede on their behalf, and give thanks for them. Pray this way for kings and all who are in authority so that we can live peaceful and quiet lives marked by godliness and dignity. This is good and pleases God our Savior,⁴ who wants everyone to be saved and to understand the truth.
- Romans 13:1 Everyone must submit to governing authorities. For all authority comes from God, and those in positions of authority have been placed there by God.

Father God, with the growing threats of terror against our nation and our people, we ask that you watch over us and keep us safe. Give your guidance and wisdom to the people in charge of national security so they can make wise decisions. Continue to provide jobs for those in need and teach us how to manage our finances in a way that will be pleasing to you so we can end our economic troubles. We pray all in Jesus' name, Amen.

Action Step:

Pray: 2 Chronicles 7:14 as a promise from God - Then if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, I will hear from heaven and will forgive their sins and restore their land.

- Pray for God's people to open their eyes to the plight of our nation.
- Pray we will not give up our passion for freedom in exchange for personal gain, or become passive in our attitude toward the enemy.
